

## Recovery is possible.

Recovery Community Organizations (RCOs) are **peer-led** and **peer-run** agencies that provide services to support people in their recovery from substance misuse. All recovery centers throughout the state of New Hampshire are **low barrier** and **no cost** for services; the only requirement is a **desire to focus on your recovery**.

RCOs support **multiple pathways to recovery** and offer peer recovery coaching, telephone support, mutual aid groups, and family support programs. Most centers include services in harm reduction, system navigation, and advocacy.

Please contact the recovery organizations on their website for a full list of services and resources.

# State-Funded Recovery Community Centers by Location
